About Company

At **COZYSCAPE**, we are committed to driving efficiency and innovation in the oil and gas transmission and distribution sector. With expertise in executing diverse turnkey projects, we deliver solutions of scale and significance that contribute to the growth and sustainability of the energy industry. Our focus lies in combining technical excellence with safety, reliability, and environmental stewardship to create long-term value for our stakeholders.

VISION & MISSION

Vision

Our vision is to become a globally recognized and trusted leader in the oil and gas transmission and distribution industry by building a strong and sustainable presence in the construction sector. We aspire to set new benchmarks in engineering excellence, safety, and environmental responsibility while delivering large-scale turnkey projects of strategic importance.

We envision COZYSCAPE as a company that not only contributes to the development of critical energy infrastructure but also creates long-term value for our clients, employees, and communities. By embracing innovation, adopting advanced technologies, and nurturing a culture of integrity and teamwork, we strive to become a symbol of reliability and progress in every market we serve.

Mission

Our mission is to execute every project with uncompromising commitment to safety, quality, and sustainability. At COZYSCAPE, we prioritize the health and well-being of our workforce, partners, and stakeholders by establishing world-class safety standards and ensuring that hazards are effectively identified, assessed, and managed.

We are dedicated to minimizing the environmental impact of our operations by implementing eco-friendly practices, conserving resources, and complying with all applicable laws and regulations. Through continuous training, innovation, and process improvement, we empower our teams to deliver projects efficiently, on schedule, and with the highest level of technical precision.

Our Services

❖ Cross-Country Pipelines

Cozyscap Construction Pvt. Ltd. is an innovator in mainline cross-country pipeline construction for oil and gas infrastructure. We offer a diverse range of services to meet every project requirement with precision and reliability.

❖ EPC PROJECTS

Our Fire Fighting Sprinkler System Service offers a complete, end-to-end solution for protecting lives and property from fire hazards. From initial design and planning to professional installation and regular maintenance, we cover every stage with precision.

❖ HORIZONTAL DIRECTIONAL DRILLING

Cozyscap Construction Pvt. Ltd. stands as a leader in mainline cross-country pipeline construction for oil and gas infrastructure. We deliver a wide spectrum of services designed to meet diverse project needs with precision and reliability.

❖ Pipe Line Integrity

Pipeline integrity is all about ensuring the safety, reliability, and efficiency of oil and gas pipeline systems. Through advanced inspections, preventive maintenance, corrosion control, and continuous monitoring, we safeguard against leaks, damages, and failures.

Our Services

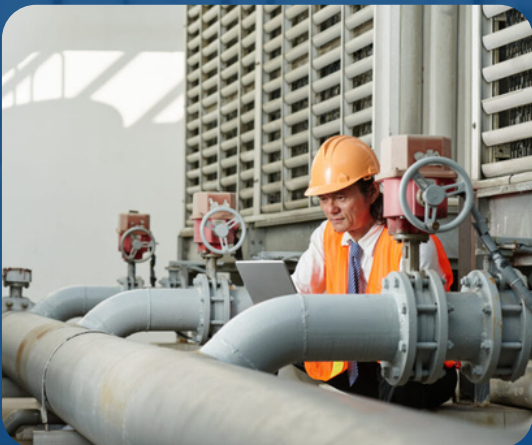

Station Construction

We specialize in end-to-end station construction for oil, gas, and utility networks. From site preparation and civil works to structural installation and commissioning, our team ensures safe, efficient, and durable stations.

CITY GAS DISTRIBUTION

Cozyscap Construction Pvt. Ltd. is a trusted name in City Gas Distribution (CGD) infrastructure, delivering reliable and efficient solutions for safe energy supply. We provide end-to-end services including design, pipeline laying, testing, and commissioning.

Pipeline Operation Maintenance

We ensure smooth, safe, and uninterrupted operation of pipelines through regular monitoring, preventive maintenance, and emergency response services. Our expert team manages inspection, leak detection, corrosion control.

Pipeline Commissioning

We provide complete pipeline commissioning services to ensure safe, reliable, and efficient operations before the system goes live. Our process includes cleaning, hydro-testing, drying, and pressure testing of pipelines to meet international safety and quality standards.

Our Services

⌘ CATHODIC PROTECTION SYSTEMS

Cozyscap Construction Pvt. Ltd. is a trusted leader in providing advanced Cathodic Protection Systems for oil and gas infrastructure.

⌘ WATER PIPELINE LAYING

Cozyscap Construction Pvt. Ltd. is a trusted name in Water Pipeline Infrastructure, delivering reliable and efficient solutions for safe water supply. We provide end-to-end services including design, pipeline laying, testing, and commissioning, customized to meet diverse urban, rural.

⌘ ALL TYPE FABRICATION WORK

Fabrication work involves cutting, shaping, assembling, and installing metal or steel structures used in construction projects. It ensures strong foundations, durable frameworks, and customized solutions for buildings, pipelines, and industrial setups.

⌘ Civil Contribution Work

We use advanced technology and high-grade materials to deliver durable, safe, and long-lasting infrastructure solutions. With systematic planning and execution, we ensure projects are completed within deadlines without compromising quality.

Our Services

❖ Fire-fighting Sprinkler System

Our Fire Fighting Sprinkler System Service offers a complete, end-to-end solution for protecting lives and property from fire hazards.

❖ Plumbing and Electrical Work

Comprehensive inspection maintenance of electrical systems to prevent, enhance safety, uninterrupted operations.

❖ Maintenance & Safety Checks

A well-structured and proactive approach to the inspection and maintenance of electrical systems is essential for ensuring safety, reliability, and uninterrupted operations. By conducting thorough assessments of all components — including wiring, distribution panels.

❖ Lighting Solutions

The right lighting does more than just brighten a space — it transforms it. Professional design and installation of modern indoor and outdoor lighting solutions ensure not only visibility, but also enhanced ambience, comfort, and functionality.

Our Services

⌘ Electrical Repair

Electrical issues such as faulty wiring, damaged circuits, or loose connections can cause unexpected downtime, safety hazards, and disruptions to daily operations. That's why fast, accurate troubleshooting and expert repair services are essential to restore functionality without delay.

⌘ Electrical Installation

The foundation of any safe and efficient facility lies in the quality of its electrical infrastructure. Professional installation of wiring, panels, and complete electrical systems ensures not only reliable energy distribution, but also long-term safety, efficiency.

⌘ Plumbing Installation

A reliable plumbing infrastructure is vital for the comfort, safety, and efficiency of any building. Professional installation of pipelines, fittings, and sanitary systems ensures durability, leak-free performance, and smooth water flow for both residential and commercial applications.

⌘ Plumbing Repair

Unexpected plumbing issues — such as broken pipelines, dripping faucets, or hidden leakages — can cause inconvenience, water wastage, and even structural damage if left unresolved. Fast and reliable repair services

Our Services

❖ Bathroom & Kitchen Fittings

Bathrooms and kitchens are the heart of every home and business, where comfort, style, and practicality come together. Professional installation and repair of fittings in these spaces ensure not only smooth functionality

❖ Drainage & Sewer Solutions

A properly functioning drainage and sewer system is essential for hygiene, safety, and overall comfort in any property. Professional cleaning, repair, and maintenance services ensure smooth waste flow, prevent blockages, and protect against unpleasant odors, leaks, and potential health hazards.

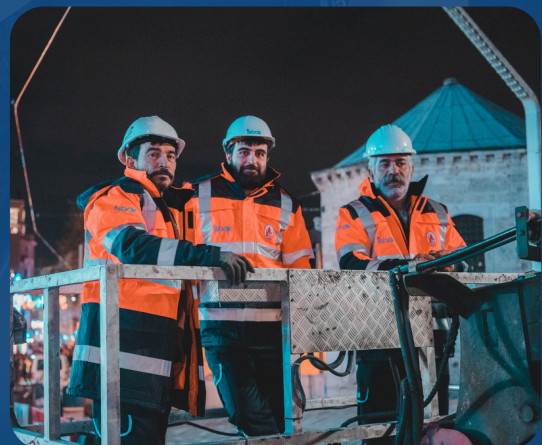

❖ REAL STATE ACTIVITY

At Cozyscap, we offer end-to-end real estate services across residential, commercial, and development projects. Whether you're buying, leasing, investing, or developing, our experienced team ensures transparent transactions, market-driven advice, and smooth execution from start to finish.

❖ MAN POWER SUPPLY

At Cozyscap, we specialize in providing skilled, semi-skilled, and unskilled manpower for Civil and Mechanical projects. Our workforce is well-trained, safety-conscious, and reliable — helping clients complete projects on time with assured quality.

Why Choose Us

Building Trust Through Excellence

◆ Proven Reputation & Quality

We are recognized for delivering projects that meet the highest industry standards. Every solution is executed with precision, ensuring durability, safety, and excellence.

◆ True Value for Investment

Our focus is on cost-effectiveness without compromising quality. We deliver smart, sustainable solutions that provide maximum value and long-term returns for our clients.

◆ Comprehensive EPC Solutions

From design and engineering to procurement, construction, and commissioning, we provide end-to-end solutions. Our integrated approach ensures efficiency, seamless execution, and timely project delivery.

◆ Strong Safety & Environmental Commitment

We prioritize the health and safety of our people and stakeholders, while actively working to protect the environment. Our zero-incident culture demonstrates our dedication to responsible operations.
